| <input type="checkbox"/> Electronic Engineering | <input type="checkbox"/> Motor Rewinding* |

Section 3A: EWRB registration information

Required for qualifications marked with an asterisk (*)

- I have at least 3 years post registration experience

Class of registration:

EWRB registration number:

Section 3B: Industry requirements

List your relevant experience and/or New Zealand Trade and/or national certificates for your industry:

Note: If you are applying to become a Workplace Logbook Assessor for Electrical Appliance Servicing, Electronic Engineering, Electrical Equipment Wholesaling, Electronic Security (Systems Installation), Industrial Measurement & Control, or Electronic Manufacturing and do not hold a trade or national certificate, please include a brief summary of your work experience in this industry.

Assessor training

You will require Workplace Logbook Assessor training:

The training consists of a brief session on the assessment best practice principles and how to use the Workplace Logbook. There is no charge for this training.

Please hold on to this form and contact your training manager from The Skills Organisation to arrange a visit to deliver this training.

I agree to The Skills Organisation Assessor registration policies and have been nominated by my company.
