I understand that I am enrolling into the qualification based on my belief that I have skills at (or near) the requirements of the qualification.

However, there is no guarantee of the qualification.

Skills and SARNZ will identify gaps in achieving competency in achieving the qualification and will recommend ways to bridge gaps. (which may incur an additional cost.

If I am unable to show evidence towards the whole qualification, Skills and SARNZ will report the individual unit standards where I have achieved competency

I understand that I have one year to complete the process for the qualification.

**5. Payment**

Payment includes assessing portfolio of evidence, determining level of competency, reporting credits/awards of qualifications where achieved and includes up to one resit for the final assessment. Payment excludes any additional training and assessment that may be required to fill any major gaps identified. I am aware there is no refund after 14 days of enrolment.

The cost of the RCC in Rigging for each programme is detailed above.

Please call Skills on 0508 SKILLS to make payment by credit card.
