

# RESIDENTIAL PROPERTY MANAGEMENT

Arm yourself with  
marketable skills

Whether you're an experienced property manager looking to get your skills formally recognised or would like to increase your knowledge in property management, getting qualified in Residential Property Management is a great choice. Our programme will arm you with the knowledge and tools you need for business success, and award you with a nationally recognised qualification.

## What will you learn?

The Residential Property Management programme will give you not only a formal qualification, but a full set of industry skills. The modules covered include:

- Module One: Legal and Theoretical Knowledge
- Module Two: Establishing Residential Tenancy Management
- Module Three: Establish a Residential Tenancy
- Module Four: Maintaining Residential Tenancies

## How long will it take?

This programme is designed to be completed within 12 months. Once you have completed our programme, you will be awarded the New Zealand Certificate in Residential Property Management (Level 4).

## What else?

In a competitive industry you need an edge. Skills will help you to get ahead of the game and become a qualified Residential Property Manager. We have a few decades of experience in practical and professional training. We provide pastoral care with dedicated Account Managers to guide you all the way from sign-up to completion.

## How to achieve the qualification

Choose the programme option that works for you:

### Online Option

#### ONLINE SELF-DIRECTED

This training option is best suited to learners with considerable industry experience who won't require learning support. Learners will have full access to online course materials and are encouraged to seek learning support from their manager or supporting office.

Cost: **\$994.75** incl GST

## Workshop Option

### REAL ESTATE INSTITUTE OF NEW ZEALAND (REINZ) WORKSHOP

The Real Estate Institute of New Zealand (REINZ) option supplements the Skills online assessment option by delivering four workshops featuring a variety of industry and expert speakers.

You will start the programme with a group who will follow the same educational journey, share learning, and support each other. Learners will also be able to register for the REINZ Residential Property Management Accreditation Programme.

**Cost: Price on application**

## In-House Option

### IN-HOUSE WITH INTERNAL TRAINERS

Learning is carried out in your workplace at your pace. Learners and internal trainers will have full access to online learning and assessment tools, plus the option of using a workplace or Skills assessor for course assessments.

**Cost: Price on application**  
Minimum requirement is for 20 learners per group

Skills makes every effort to ensure that the information provided on this flyer is accurate and up-to-date. The information given, including fees information, and the availability and structure of courses, are regularly reviewed. No warranty or representation is given about the accuracy of such information. All fees may change without notice. Skills does not accept liability for any losses or damage that happen directly or indirectly from you relying on the information on this flyer.
